Chairman UNIBOA
Board of Directors

Dear Mr. Cooper

This is to notify you that, as part of an investigation, we received report from Bank of America that an attempt was made on December 28, 2022 to put a freeze on Uniboa's account. We also received alert that another attempt or call was made on January 15, 2022 to access Uniboa's account and to have the current leadership signatories removed from the account.

Your name (Glean Cooper) was listed in one or more of these attempts. Why we await a full investigation, and although we are confident and have high respect that you wouldn't be involved in this type of action.

We want to do our due diligence to confirm with you that indeed you were not involve with these transactions that I indicated above. Because of the rapid speed of development with this issue and the potential of the criminal nature of these actions, we are requesting that you simply response with in 24 hours of receipt of this communication, so we can respond appropriately to any further inquiry from the bank all other authorities about this fraudulent act and who may have committed it.

In Mission with Vision

J. Cephas Z. K. Davis
